Fighting Cyberbullying

NEWSLETTER #3

A FEW WORDS ABOUT OUR PROJECT

"STAND UP - Fighting cyberbullying by identifying it in the VET classroom" is an Erasmus+ project that aims to provide VET teachers with tools to understand and combat cyberbullying. It also aims to help VET students become aware of the danger of cyberbullying.

STAND UP brings together organisations from 4 different countries - Acción Laboral (ES), INNOHUB (ES), CWEP (PL), DIAS VET (GR) and Eurospeak Ltd (IE).

INTRODUCING THE STAND UP APP: EMPOWERING EDUCATORS AND STUDENTS

We are proud to introduce the culmination of our hard work and dedication — the STAND UP App. Our mobile app is designed to be an invaluable resource in the fight against cyberbullying in the classroom. The STAND UP app offers a range of features and resources that promote a safer and more inclusive learning environment. The app contains the following:

- **Training material:** Access comprehensive training content designed for both teachers and VET students. Equip teachers and learners with the knowledge and tools they need to effectively address cyberbullying.
- **Contact database:** Get in touch with professionals, experts and organisations in the field of cyber protection at regional, national and European level.
- **Resource repository:** Explore a curated collection of useful resources available in the European Union. This includes complementary applications, informative articles, insightful reports, and more to support your efforts in promoting online safety.

We invite you to download and use our STAND UP App by visiting the following links:

STAND UP PARTNERSHIP'S FINAL TRANSNATIONAL MEETING IN GREECE

On 18 and 19 October, the STAND UP partnership celebrated an important milestone – the last transnational meeting of the project. The event took place in the charming town of Trikala, Greece, and was kindly hosted by DIAS VET. This meeting marked the culmination of the project and provided the partners with the opportunity to achieve several important goals:

- **Overview of project progress:** The partners provided a comprehensive overview of the project progress and acknowledged the achievements and milestones reached during the project period.
- **Final tasks and milestones:** The partners held productive discussions and organised final tasks to ensure the successful completion of the project.
- **Sustainability and future exploitation:** The partners worked together to develop strategies and plans for the sustainability and further exploitation of the project results after the completion of the project in January 2024.
